

# ANZMAG 2025 CONFERENCE

## Sponsorship Prospectus

30 November - December, 2025

Tangalooma Resort Moreton Island, QLD Australia

## Introduction

The Organising Committee for **ANZMAG2025** is inviting sponsorship for the 14th biennial conference of the Australia and New Zealand Society for Magnetic Resonance to be held on Sunday 30th November to Thursday 4th of December 2025 at Tangalooma Resort, Moreton Island, Queensland, Australia.

This event will consist of workshops, social events, and scientific sessions. The program will as traditionally at **ANZMAG** meetings cover a wide range of topics in magnetic resonance, including liquid and solid-state NMR spectroscopy, imaging, EPR, theory and method development. Following positive feedback from recent meeting the parallel session format and student short talks will be retained for 2025.

The conference attracts researchers and students from across Australia, NZ and internationally in all fields of magnetic resonance. We have a variety of sponsorship packages available but also have scope to tailor a sponsorship package that best suits your needs. Trade delegates from our sponsoring partners are warmly invited to attend, and indeed are an integral part of the meeting.

Please contact us if you have any questions about trade participation in **ANZMAG2025** and we look forward to seeing you on beautiful Moreton Island in December 2025.

Regards,

Johan Rosengren, Gary Cowin, Jeffrey Harmer & Horst Schirra  
Conference Chairs, ANZMAG2025

## Sponsorship Prospectus

# The Venue

Tangalooma is the Gateway to Moreton Island (Mulgumpin). Just a short ferry trip from Brisbane, Tangalooma Island Resort provides access to the beautiful Moreton Island, home to amazing natural flora and fauna.

Moreton Island is the third largest sand island in the world and located only 40 kilometres north-east of Brisbane. The Island consists entirely of sand, apart from a small area of sandstone and rhyolite at Cape Moreton, which has built up over the past 400,000 years. It is also home to the highest coastal sand dune in the world, Mount Tempest, which at 285 metres provides 360 degrees of breath-taking views. Moreton Island is one of the least polluted and least disturbed coastal environments along the Queensland/New South Wales coast. It is known for its population of wild dolphins that visitors have an opportunity to hand feed as they swim in to the beach each evening.

Tangalooma houses unique and outstanding conference facilities with the main feature being a large permanent marquee situated directly on the beach and perfectly set up to host lectures, sponsorship booths, posters and catering. There are additional lecture rooms next door for parallel sessions.

## Delegate Profile

Previous **ANZMAG** meetings have typically attracted 150-200 delegates from both academia and industry, and a variety of disciplines. These include PhD students, post docs, mid-career researchers and senior experts across all the major themes of magnetic resonance.

Methods covered include solution NMR, solid State NMR, DNP, MRI/Imaging, diffusion and EPR, and their applications to:

- **Biomolecular structure and dynamics**
- **Small molecule structure**
- **Drug discovery and development**
- **Screening**
- **Preclinical and Clinical MR imaging**
- **Theranostics**
- **Materials**
- **Energy devices**
- **Metabolomics**
- **Quantum devices**
- **Computational/AI approaches to structural biology**

## PLATINUM Partner

### \$10,000

#### A Platinum Partner sponsorship entitles the sponsor to:

- (1) Provision of time in the program to host a 40-minute research workshop that aims to inform researchers on the latest developments in the field. Talks may be given on scientific applications and technological developments directly or closely related to the theme. Educational components regarding theory or practical aspects of data interpretation are welcomed.
- (2) A trade display booth in the venue where all breaks and poster sessions will be held.
- (3) Acknowledgment as a major sponsor at the start of each session, on the conference website and on program documents.
- (4) Branding in the lecture hall/auditorium and/or foyer with company banners (up to 2).
- (5) Exclusive naming rights to either the opening mixer on the Sunday evening or conference dinner on Wednesday evening.
- (6) Sponsorship of a conference session
- (7) Option to sponsor student bursaries or student/post-doc prizes
- (8) Complementary registration, including delegate package, welcome function and conference dinner, for up to 3 company representatives (Value - \$2,400)
- (9) Contact details of the registrants who have agreed to disclose contact information
- (10) The option of a complementary trade poster during the poster session

# CALLAGHAN Award Sponsor \$2,500

The **Sir Paul Callaghan Medal** recognises outstanding achievements in magnetic resonance research by younger members of the Society. It is available to Society members who have been awarded a PhD no more than 15 years prior to the closing date for nominations in each round, except in the case of significant interruptions to their research career.

Awardees will be presented with a medal and a cheque for \$1,000 at the ANZMAG conference, and they will present a medal lecture.

The Callaghan Award Sponsorship is specifically designed to support the prize and help defray expenses for attending the meeting for the winner.

The sponsor will receive exclusive naming rights to and exposure during the Callaghan Award Session.
